## HeartSaver First Aid & CPR

### ON-SITE TRAINING

Ask about our On-Site  
Training within the Greater  
Puget Sound area.

\*Students are required to pay for and complete the AHA Blended Learning course and present a valid certificate of completion to access the instructor led evaluation.

### CERTIFICATION

American Heart Association  
Certificates are good for 2 years  
from the date of issue.

American Heart Association's HeartSaver classes meet most  
OSHA employment requirements for workers.

#### Notice:

Travel fees may apply. Additional cost for tolls, ferry, or other incidental expenses.

**Not available in all areas.**

Subject to change without notice.

Reserve the right to cancel at anytime.

**Greater Puget Sound Area**

## Save a Life Today!

LEARN TO SAVE A LIFE | EMPLOYER APPROVED TRAINING

Heartsaver First Aid and CPR AED eLearning Courses are the online portion of blended learning course delivery designed to teach cognitive knowledge to adequately prepare students for hands-on practice and testing of first aid, CPR, and AED skills.

Students must present a valid Online Blended Learning certificate of completion to participate in the Instructor Led portion of the course.
